

DE VILLE PRESTIGE

More slender than ever before, the Third Generation of the De Ville Prestige has been introduced with all the emblematic DNA you'd expect, but with a comprehensive upgrade across the design. This new 40 mm model in stainless steel and 18K Sedna™ Gold is presented on a modernised Prestige bracelet. The domed silvery dial offers a crystal finish, along with Roman numerals and cabochon indexes, while on the inside, the Co-Axial Master Chronometer calibre ensures unrivalled accuracy at all hours of the day.
