

A CLASSIC ICON RETURNS

With its unique Broad Arrow hands and tachymeter scale on the bezel, the Speedmaster '57 is emblematic of the first, revolutionary Speedmaster that was launched in 1957. For the latest update, OMEGA has lifted the vintage spirit to another level, with slimmer styling and a Co-Axial Master Chronometer engine that takes precision to the next gear. This enduring watch is heading in a new direction, yet still with the essential look of the original Speedmaster line.
