PRECISION AT EVERY LEVEL

AQUA TERRA WORLDTIMER
Co-Axial Master Chronometer

The Seamaster has served every kind of ocean adventurer from solo free divers to entire racing yacht crews. Continuing this fine tradition is the 43 mm Aqua Terra Worldtimer in steel, available on a matching bracelet or blue rubber strap. Crafted with a special seahorse logo on the caseback, it features a new dial with a stunning vision of Earth in sun-brushed Summer Blue and is equipped to mark time in the watery world, 150M beneath the waves. We celebrate our oceangoing icon, with a promise to keep defying the depths and delivering new levels of precision.
