

SEAMASTER AQUA TERRA

As its name suggests, the Aqua Terra crosses many boundaries. Developed from a long line of ocean-watches, it shares DNA with our most rugged sports chronometers, yet is infused with the design sensibility of a classic dress watch. Continuing that spirit, today's Master Chronometer models are tested and certified at the highest level by the Swiss Federal Institute of Metrology (METAS). This guarantees more accuracy, reliability and supreme resistance to magnetism from electronic devices such as phones and laptops, making the Aqua Terra the ultimate everyday watch.
