PRECISION AT EVERY LEVEL

AQUA TERRA
Co-Axial Master Chronometer

The Seamaster has served every kind of ocean adventurer from solo free divers to entire racing yacht crews. Continuing this fine tradition is the 38 mm Aqua Terra Co-Axial Master Chronometer in steel. Crafted with a special seahorse logo on the caseback, it features a new dial in sun-brushed Summer Blue, varnished with a gradient finish to reflect its water resistance of 150M. We celebrate our oceangoing icon, with a promise to keep defying the depths and delivering new levels of precision.
